Likely Democratic primary voters in Florida's 22nd Congressional District need to know:

Pia Dandiya knows Washington is more interested in serving the big corporations and billionaires than everyday working people. She's running for Congress to take on the corruption, lower costs, and protect Social Security for working families.

- ✓ Pia is running for Congress to end the corruption in Washington. She will fight to limit the influence of big corporations and billionaires that are corrupting our democracy, stop politicians

protect Social Security and Medicare, lower costs, and pass middle class tax cuts.

- ✓ Dandiya will fight to cut healthcare costs. She will strengthen the Affordable Care Act, cap the cost of prescription drugs and common medical procedures, cap prices on common lifesaving medications, and fight to ban insurance companies from using AI to deny patients medically necessary tests and treatments.

The first priority for paid communications, if enough resources are available, is ads with this message on West Palm Beach broadcast and cable TV (especially CNN and MSNBC). Ideally, these communications would begin now. If resources allow, cable TV and digital in Broward and Fort Myers, especially among voters over the age of 50.
