This is in response to your July 8, 2025 letter requesting additional information from DNC Services Corp./Democratic National Committee (the “Committee”) regarding a misdisbursement of Committee funds. The identified transaction was the result of fraudulent activity by an external third party. The Committee has no reason to believe that the transaction involved any misappropriation or misconduct by Committee personnel. Committee staff discovered the issue quickly and promptly notified its bank in order to recover the misdisbursed funds. The Committee maintains an internal controls policy consistent with the Federal Election Commission’s safe harbor policy, and the Committee is taking further steps to avoid similar events in the future.
