Dear Ms. Ioffe,
Cruz for President, FEC ID# C00574624, is in receipt of your Request for Additional Information dated April 28, 2026, regarding the Committee's October and Year-End 2025 Quarterly Reports. The Federal Election Campaign Act of 1971, as amended, and the Commission's regulations do not require a committee to "explain the committee's intended use of the residual campaign funds," nor does the Request for Additional Information ("RFAI") cite any authority for such a proposition. Needless to say, the Cruz for President committee will spend and dispose of its residual funds in a lawful manner in due course, consistent with 11 C.F.R. § 113.2.

While the RFAI specifically cites the six-month deadline for using campaign funds to "wind down the office of a former Federal officeholder," see id. § 113.2(a)(2), that provision does not apply here since there is no former Federal officeholder at issue. The other provisions of id. § 113.2 governing the permissible uses of campaign funds do not impose any deadline for expending or disposing of residual funds.

Sincerely,
Bradley S. Knippa
Treasurer
